

## HAA Better Government Fund Membership Form - 2015 - Suppliers

The HAA Better Government Fund is the political action committee of the Houston Apartment Association, a non-profit trade association representing the Houston apartment industry. **Without political capital, our industry would not be as successful in representing your clients' interests, and thus, your financial well-being.**

Our Supplier members receive benefits for their contributions, based on the following levels:

**\$100 - Non-Voting Century Club** - Inclusion in the list of contributors (with company name) distributed to all attendees at meetings. Inclusion in October member recognition advertisement in Abode Magazine. Member pricing at HAABGF luncheons.

**\$125 - Voting Century Club** –All benefits listed at lower levels, plus your contribution goes toward voting privileges for the group, as represented by the Century Club Chair.

**\$500 – Trustee** – All benefits listed at lower levels, plus you receive one vote for every \$500 you contribute. Invitations to special events and meetings with legislators like the annual holiday elected officials' reception. You'll also receive the first opportunity to register for events like the NAAPAC wine tasting.

**\$1500 – Steering Committee** – All benefits listed at lower levels (including one vote for every \$500 you contribute), plus you receive invitations to exclusive Steering Committee meetings, held 3-4 times a year. The Steering Committee acts as the board of directors for the PAC: recommending endorsements, contributions and changes to activities. Steering Committee members receive invitations to the annual Justice of the Peace and Constable Appreciation Luncheon, as well.

The HAA Better Government Fund participates in local and state political campaigns, helping candidates who support the apartment industry and its supplier businesses.
